READY TO MOVE TO TEAMS?

Ensure your environment is ready for the transition with our Microsoft Teams Assessment. We will

- ✓ Validate underlying architecture to ensure a secure foundation is in place for a reliable Teams service.
- ✓ Build a roadmap for the transition and assist in performing prerequisite tasks to ensure a successful transition—including user adoption.
- ✓ Help you decide which deployment option is the best fit based on your business objectives.

MAKE PEI YOUR GO-TO PARTNER

PEI is a Microsoft Gold Communications partner specializing in Microsoft Teams deployments. We partner with our clients to understand their unique needs and objectives and assist them in making the best decisions for their business.

OUR DEPLOYMENT OPTIONS

NEW TO OFFICE 365?

Microsoft Teams is part of the Office 365 Suite. If you're new to Office 365, PEI can help you migrate to Office 365 and configure Microsoft Teams as your collaboration solution.

ALREADY ON OFFICE 365?

PEI can deploy and configure Microsoft Teams voice functionality including Phone System, Calling Plan, and Audio Conferencing services to provide you with a complete phone system.

HAVE ON-PREMISES NEEDS?

Looking for a hybrid or on-premises solution to utilize existing hardware or telecom services? PEI can implement Teams Direct Routing for your organization.
