

# PREPARE FOR COVID-19:

## BUILD A WORK FROM HOME STRATEGY

PEI can help you build a robust remote worker strategy that keeps your business running smoothly—even in times of crisis.

In our **Work from Home Strategy Session**, you'll collaborate with our strategy experts to

- ✓ Identify the **necessary capabilities** your users need to get their jobs done while working from home.
- ✓ Build a **personalized roadmap** that addresses the **unique constraints** of your business—like security requirements.
- ✓ Deploy Microsoft Teams across your organization according to **best practices** and your **personalized strategy**.
- ✓ Train your users on the capabilities they need most to **ensure the effectiveness** of your new work from home strategy.

## BUSINESS AGILITY AND EMPLOYEE HEALTH

Concerns about employee health are leading many businesses to consider adopting a remote work strategy.

But many are unprepared to switch to a true work-from-home model that keeps teams connected around the globe and still able to work efficiently.

Do you have a technology strategy to help employees stay safe and work from home effectively?

## TRUST PEI TO GET YOU THERE

As a **Microsoft Gold Communications Partner**, PEI specializes in Teams and Office 365 collaboration solutions.

We partner with clients to understand their needs and objectives and assist them in making decisions that help them achieve their business goals.
